NOW THERE'S NO NEED TO COMPROMISE LUXURY FOR COMFORT AND VITALITY.

Spresso is an elegant, innovative line of sockwear that brings the benefits of compression to anyone on the go—and on their feet—anytime and anywhere. These high-fashion socks for men and women use graduated compression for **better blood and oxygen circulation** throughout the lower body to **reduce fatigue and pain**. Designed in Canada and made in Italy with both natural fibers and innovative new materials, Spresso comes in colors and styles to suit the most discriminating tastes.

SPRESSO SOCKWEAR FEATURES:

- Graduated Compression Sockwear available in Grade-1 (15-20 mm/ Hg) and Grade-2 (20-30 mm/ Hg) to increase blood circulation, which enhances leg energy and reduces leg fatigue.
- Thermo-insulating properties keep feet cool in the summer and warm in the winter
- Dryarn® is 32% lighter than wool and 34% lighter than polyester
- Spresso's perfect-fit, non-binding comfort top stays up without pinching
- A reinforced flat-seamed toe ensures durability
- A special processing technique ensure a perfect fit without sliding, creases or wrinkles
- Dynamic action of graduated compression gives wearers a feeling of lightness and wellbeing
